ABOUT US

Stolk Construction began doing business in 1962. Throughout our nearly 60 year history, we have been involved in thousands of projects of varying sizes. An unequalled dedication to service and strong commitment to our customers' needs has enabled us to grow from a small carpenter shop to a multi-million dollar company.

Our primary goal as a company is to earn lifelong Customers and make the lives of these Customers easier. We do this by proactively identifying and resolving any issues that they may encounter.

At Stolk Construction we believe that a good safety record is clear evidence of a well-run organization. We are vitally interested in the health and safety of our employees, our customers and our community.
